DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

CHEESE

We are going to choose cheese.
We will lie to Lola and say
it's not cheese. It's a soft golden
block under the ground. It's rare
and every miners like to eat
it.

DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

603 G2

CHEESE

Once upon a day, there was a alian, he found a piece of gold on the ground, but actually the gold was the chese, and two thousand years later, the moon world have a beach, and the sand was the chese, after these storys, Lola start to like chese and try to eat it, guess what, She likes it!

DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

MUSHROOMS

Lola said "I don't like mushrooms."
Charlie thinks a moment, then he said
"These are not mushrooms. These are
little umbrellas. The elf always use
it." Lola said "I like little elf, they
are cute." Lola ate one. "Mmm Yummy~"

DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

MUSHROOMS

601. G7

Lola doesn't like to eat mushroom. Charlie says "long long ago. there was a cat named QQ, she slept and jump and down on the mushroom. Her name just like the mushroom are QQ, she ate mushroom everyday. She loves it very much. It was very cool!" Lola you don't want to eat one? 🐱 🍄

DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

603
91 Lola doesn't eat roasted beans.

BAKED BEANS

So we say.....

The green world, every animals and peoples are green because when is rain, the beans is falling, it will be "green rain,". Then everyone will take the basket and put those beans inside. Lola loves rain. She thinks those green peoples are special, so she eats all the beans, she thinks these roasted beans taste good.

DO YOU KNOW OUR FOOD COULD BE DIFFERENT?

SPAGHETTI

601. G 4

Lola doesn't like to eat spaghetti, so we say... There's a planet between Mars and Earth. That planet calls "Spaghetti Planet". In the planet, there's a lot of spaghetti people, they like to eat spaghetti. There's the weather in there too. When it's rain, it will fall "Spaghetti rain", and they can use their ball to catch the spaghetti. So they don't need to cook the spaghetti, because when there's rain, they can eat the dinner, lunch and breakfast. There's the natural landscape in this planet, too. Everyone love to eat spaghetti, do you want to try some? Lola? Hope you love it.

@ CLASSTING

1. mushroom

2. Because our world's soil's quality is very good, so the alien came to the Earth to plant mushroom trees. The alien are very small and adorable forasmuch their trees are small, that's why we can see the alien but we can see their mushroom trees. Charlie use the microscope to let Lola see the alien, Lola loves alien and she loves their trees, too.

3. 24 Yurong Chen, 28 Daisy, 7 Chili, 2 A-rang

1 cauliflower

2 Once upon a time there was a broccoli giant who lived in the broccoli kingdom. A group of villagers ran to the kingdom to attack the cauliflower giant, He countered them. After a fierce battle, the villagers lost. The cauliflower giant said: As long as you continue to eat broccoli, I will not attack you, and continue to grow broccoli, it will not attack you. The villagers answered that they should eat broccoli and would not be attacked by the cauliflower giant.
