The Public Art of Wen-Hu Line

遊記仿寫

Today is Wednesday. The weather is rainy. We have a trip to explore the Public Art on the Wenshan-Neihu Line by MRT and on foot.

• 50108

My favorite piece of public artwork is Dancing Birds at Wende Station. The artwork is completed in October, 2008. Its medium is pottery mosaic and it's located on the wall next to the barrier-free elevator on the ground floor of Number 2 entrance.

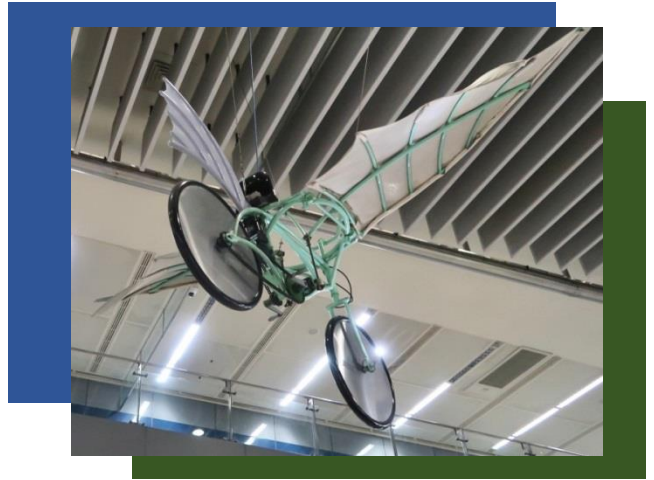

This artwork looks like a big bird. It's beautiful and special. I see a lot of colors so I think it's beautiful. I feel happy about this trip because it's so fun.

• **50110**

My favorite piece of public artwork is **Dreams of Flying** at Songshan Airport Station. The artwork is completed in October, 2008. Its medium is motor, canvas and it's located on the platform.

This artwork looks like a flying bike. It's cool and handsome. I see wings on the bike so I think it's cool. I feel happy about this trip because I see many artworks.

• **50113**

My favorite piece of public artwork is **Dreams of Flying** at Songshan Airport Station. The artwork is completed in October, 2008. Its medium is stainless steel and it's located on the ceiling of the platform.

This artwork looks like a flying boat. It's expensive and beautiful. I see a hot air balloon on the boat so I think it's beautiful. I feel happy about this trip because I see a lot of public artworks.

• **50101**

My favorite piece of artwork is *The Sky of Frog* at Jiannan RD. Station. The artwork is completed in April, 2008. Its medium is stainless steel and it's located near the Exit 2.

This artwork looks like cloud. It's cool and pretty. I see a lot of frogs on the pillar so I think it's pretty. I feel tired about this trip because I walk for a long time.

• **50111**

My favorite piece of public artwork is *The Sky of Frog* at Jiannan RD. Station. The artwork is completed in April, 2008. Its medium is Stainless Steel and it's located near the Exit 2.

This artwork looks like a lake. It's cool and beautiful. I see a lot of frogs on the ceiling so I think it's cool. I feel excited about this trip because it's fun.

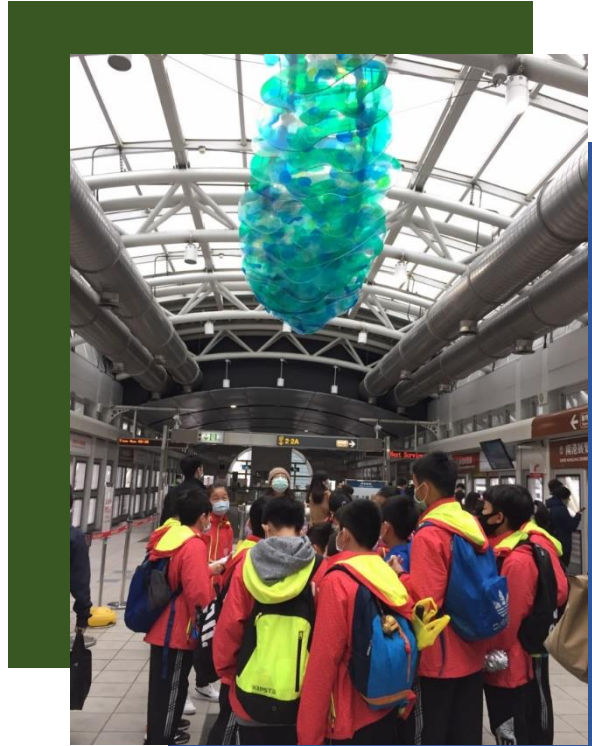

• 501014

My favorite piece of public artwork is **Crossing · Transforming** at Xihu Station. The artwork is completed in January, 2009. Its medium is composite aluminum panels, pottery brick and it's located on the Easter and Northern walls of the Xihu Building outside Exit 1.

This artwork looks like a painting. It's strange and magnificent. I see a giant runner running fast so I think it's magnificent. I feel happy about this trip Because I can hang out with classmates.

• 501017

My favorite piece of public artwork is **River in the Sky** at Taipei Nangang Exhibition Station. The artwork is completed in October, 2008. Its medium is glass, lenticular and it's located on the skylight at the center of the platform.

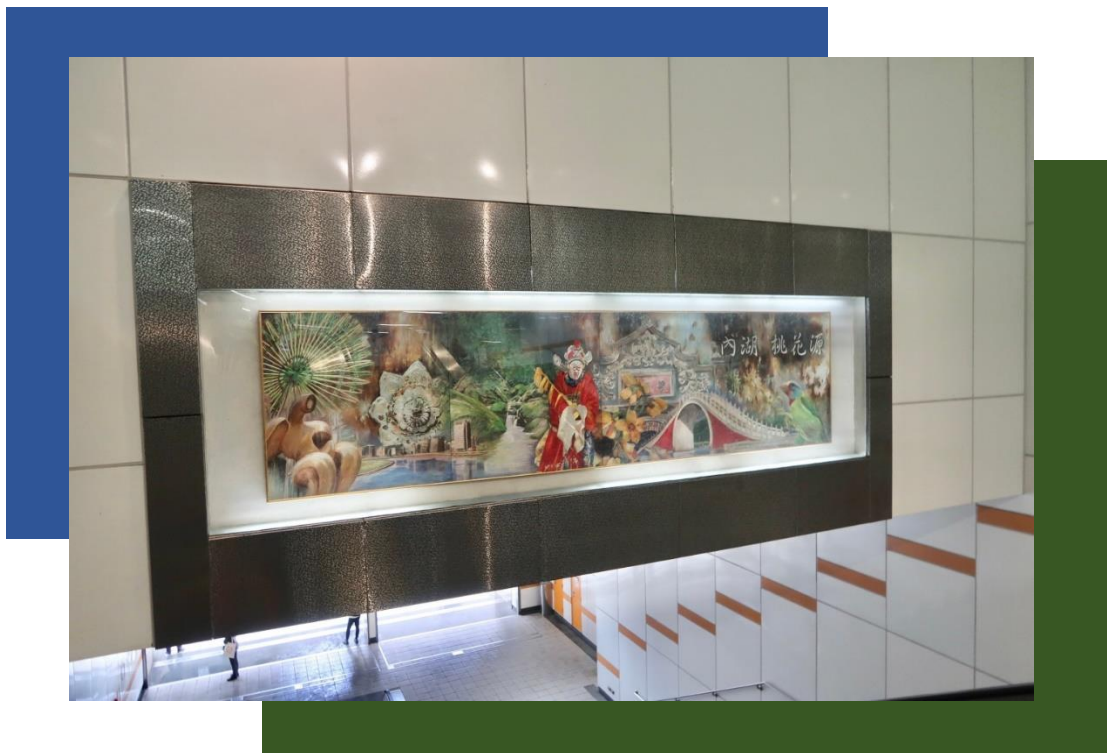

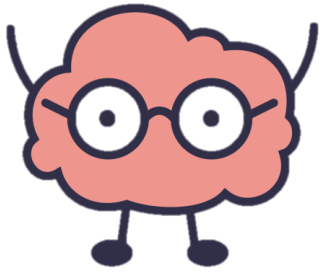

This artwork looks like a fish. It's colorful and wonderful. I see so many colors in the lenticular sheets so I think it's colorful. I feel enriched about this trip because I learn so much information today.

• 50119

My favorite piece of public artwork is The Paradise of Neihu at Gangqian Station. The artwork is completed in December, 2006. Its medium is waterproof silk cloth, rayon threads, acrylic pigment and it's located on the Stair Wall at Exit1.

This artwork looks like a mural. It's wonderful and beautiful. I see a man riding a horse so I think it's so cool. I feel happy about this trip because this artwork is beautiful.
